Lahore, Pakistan | 0301-4685576 | suhaibfreelancer0@gmail.com | [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

Frontend Developer with 2 years of hands-on experience building responsive web and mobile applications using React JS, Next JS, React Native, JavaScript, and CSS. Currently gaining industry experience at MBU Devs while completing ICS studies. Skilled at translating designs into clean, functional, cross-platform user interfaces and eager to contribute to a growing development team.

TECHNICAL SKILLS

Languages & Core: JavaScript, HTML5, CSS3

Frameworks & Libraries: React JS, Next JS, React Native

Focus Areas: Responsive Web Development, Cross-Platform Mobile App Development, UI Implementation

Tools: Git, Asana, GitLab

WORK EXPERIENCE

Frontend Developer

2 Years – Present

MBU Devs (Software Development Agency)

- Working as a Frontend Developer building and maintaining responsive websites and cross-platform mobile applications using React JS, Next JS, and React Native.
- Developed and contributed to the company's official corporate website, mbudevs.com, showcasing services, projects, and client work.
- Built Homeschooling with MBU (homeschoolingwithmbu.com), a web platform providing homeschool resources, curriculum, and community support for parents.
- Collaborated with designers and backend developers to implement pixel-accurate, functional user interfaces.
- Used Git and Asana for version control and task/project management within an agile team workflow.
- Continuously learning and applying modern frontend and React Native best practices on live, real-world projects.

PROJECTS

MBU Devs – Corporate Website

- Frontend development of mbudevs.com, the company's official website highlighting services, case studies, and team.
- Tech stack: Next JS / React JS.

Homeschooling with MBU – Web Platform

- Built a resource platform (homeschoolingwithmbu.com) offering free homeschool curriculum, lesson plans, and community support.
- Tech stack: React JS / Next JS.

EDUCATION
